

Health & Safety Policy

Central Demolition Ltd based in Scotland is a privately-owned Company that provides UK wide demolition services including emergency work, licenced and non-licenced asbestos removal, asbestos surveys, excavation, site clearance, recycling and skip hire.

Through this H&S Policy the Directors of the Central Demolition Ltd commit to the following:

- Providing safe and healthy working conditions for the prevention of work-related injury and/or ill health
- Eliminating hazards and reducing risks through hierarchy of controls best practice (e.g. elimination, substitution, engineering controls, administrative controls and use of PPE)
- Continual improvement of the Occupations Health & Safety (IMS) Management System
- Consultation, communication and participation of workers
- Fulfilment of H&S legal and other requirements
- Ensuring access to competent advice and are able to secure compliance with our statutory duties

This policy provides the framework for setting our H&S objectives. The Company's H&S policy and objectives are set, reviewed and approved by Directors via our annual (as a minimum) management review meetings.

This policy is available to interested parties on request, where appropriate

This policy is reviewed at the annual Management Review Meeting.
