

POLICY: QUALITY

Central Demolition are committed to delivering safe, compliant, and high-quality services that consistently meet or exceed customer, statutory, regulatory, and contractual requirements

The Quality Management System (QMS) of Central Demolition Ltd is established, implemented, and maintained in accordance with ISO 9001:2015 and encompasses:

- **Consideration of internal and external issues relevant to the Company's purpose and strategic direction**
- **Understanding and meeting the needs and expectations of interested parties, including customers, employees, regulators, suppliers, and the public**
- **Fulfilment of all quality compliance obligations, including applicable legislation, standards, and codes of practice**
- **All products and services provided to our customers across the UK**

Quality Objectives & Continuous Improvement

- **Satisfying all applicable quality requirements**
- **Establishing, reviewing, and approving measurable quality objectives, which provide the framework for continual improvement**
- **Reviewing the effectiveness of the QMS through management review meetings, held at least annually**
- **Providing the necessary resources, leadership, and support to ensure the QMS achieves its intended outcomes and drives continual improvement**

This Quality Policy:

- **Is communicated, understood, and applied throughout the organisation**
- **Is made available to relevant interested parties where appropriate**
- **Is reviewed at least annually during management review meetings to ensure continued suitability, adequacy, and effectiveness**

- **Managing Director:**

A handwritten signature in black ink, appearing to read 'P. Jones', is written over a horizontal line.
